

(Complete the form using plain, non-bold font)

**1. Surname and name of the doctoral student**

**2. Surname, name and degree/title of the doctoral supervisor**

**3. Surname, name and degree/title of the second doctoral supervisor / assistant supervisor and discipline (if applicable)**

**4. Discipline**

<b>DISSERTATION</b>
<b>5. Topic of the doctoral project</b> (working title of the dissertation)
<b>6. Reasons for taking up the topic, its relevance and originality</b> (up to 1,500 characters)
<b>7. Outline of the current state of research on the issues that are the subject of the dissertation, including international literature on the subject</b> (up to 3,000 characters)
<b>8. Research methodology, questions, thesis or hypotheses</b> (up to 2,000 characters)
<b>9. Research tasks</b> (up to 1,000 characters)
<b>10. Research apparatus and software necessary for the implementation of the project</b> (complete if applicable)
<b>11. Timetable for the preparation of the dissertation</b> (broken down by year of training and time before and after the mid-term evaluation)
<ul style="list-style-type: none"><li>• <b>1st year</b> (research completed)</li></ul>

<ul style="list-style-type: none"><li>• <b>2nd year– winter semester</b></li></ul>
<ul style="list-style-type: none"><li>• <b>2nd year – summer semester</b></li></ul>
<ul style="list-style-type: none"><li>• <b>3rd year – winter semester</b></li></ul>
<ul style="list-style-type: none"><li>• <b>3rd year – summer semester</b></li></ul>
<ul style="list-style-type: none"><li>• <b>4th year – winter semester</b></li></ul>
<b>4th year – summer semester</b>
<b>11. Date of completion of dissertation (year and month) and form of dissertation (dissertation, monograph, collection of articles, collective work)</b>
<b>12. Potential research risks and ways of minimising them (up to 800 characters)</b>
<b>13. Significance of the planned research and how it will be used and disseminated (up to 1,200 characters)</b>

## SCIENTIFIC PUBLICATION

(Scientific article to be published in a scientific journal or in the peer-reviewed materials of an international conference which, in the year of publication of the article in its final form, was included in the list drawn up in accordance with the regulations issued pursuant to Article 267(2)(2)(b) of the Act on Higher Education and Science of 20 July 2018, or a scientific monograph to be published by a publishing house which, in the year of publication of the monograph in its final form, was included in the list drawn up in accordance with the regulations issued pursuant to Article 267(2)(2)(a) of the Act, or a chapter in such a monograph.)

### 13. Planned publication title

### 14. Research methodology, questions, thesis or hypotheses (up to 1,500 characters)

**15. Timeline for the preparation of the publication, including the date (month and year) of its submission to the publisher (the publication must be submitted for printing before the mid-term evaluation)**

- 1st year (research completed)

- 2nd year

**PARTICIPATION IN A SCIENTIFIC CONFERENCE OF AT LEAST NATIONAL REACH**

**16. Planned title of presentation**

**17. Final date of this task (if possible, indicate title of conference, venue and time)**

**EXTERNAL GRANT PROJECT (individual or participation in a project)**

**18. Planned project title**

**19. Reasons for the project, research questions and hypotheses, methodology (up to 1,500 characters)**

**20. Date of submitting the application and type of grant (no later than 24 months from the start of training), source of funding (e.g. NCN, NCBiR, MNiSW, NPRH)**

**ADDITIONAL RESEARCH TASKS (if applicable)**

**21. Description of task with title and research hypotheses, sources of funding and timetable**

**22. Planned research internships and library searches (place and period)**

**Formal and substantive approval by the doctoral supervisor(s)**

Substantive opinion and approval of the entire research plan (date and signature), written separately by each supervisor.

**Date of submission of the Individual Research Plan** (up to 12 months from the start of training) **and signature of the doctoral student a**
